

c.) Remarks

The claims have been amended to recite the non-elected subject matter in parent application No. 09/269,576. The parent application having been allowed with generic claims, it is thought the pending claims are necessarily allowable as well. The specification has also been amended in order to effect the changes entered in the parent application. No new matter has been added.

Entry hereof is earnestly solicited.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
